

MONETT DEFEATS

JOPLIN 12 TO 0

Local High School Team Wins Honors in Hard Fought Contest.

From the Joplin Globe.

Through the mud and the mire, the slush and the rain slipped a decisive heart-breaking grid contest yesterday afternoon when the purple decked warriors from Monett bundled up and carried home a 12 to 0 engagement from the Red and Green of Joplin. Through the same quagmire of the elements Joplin's chances for the championship of Southwest Missouri practically skidded off with the score.

While the highly tutored toe of W. Reynaud and his general all-around work must not be slighted, it was a mighty tough piece of football for the locals to drop. On at least two if not more occasions the steeds of Humphrey and Manley should have crossed over into the promised land, but fate or whatever guides gridiron contests, ruled otherwise. Vaughn should have had a touchdown in the second quarter but got crossed up on his rule book knowledge and lost out.

In the third period, after a great piece of broken field running, Windle who was headed for a score, slipped in the "soup" near the Monett goal and was downed before he could recover himself.

In the fourth period with another touchdown in sight a costly fumble by Spaan lost the ball for Joplin and the uncrossed Monett goal line was again saved.

It was a mighty hard game for the Joplinites to drop, but credit must be given to W. Reynaud for the victory. His toe work on a muddy field with a heavy ball was all that could be asked. Line-up:

STORES BURGLARIZED

THURSDAY NIGHT

Robbers Enter Tatem-Wright and Tutt & Osborn Stores and Break Locks on the Safes.

Two more burglaries are reported here, the stores of Tatem-Wright Dry Goods Company and Tutt & Osborn Clothing Company having been entered Thursday night.

Tutt & Osborn's were the heaviest losers. The safe was broken open and the robbers secured \$141.73 in cash and some clothing and shoes. At the Tatem-Wright store they attempted to open the safe and chiseled the dial and handle off the front, but did not get the door open. They also tampered with the money drawer, but did not get anything from it. They took some pieces of jewelry from a show case, but so far nothing else has been missed.

At the Tutt & Osborn store they entered through a rear window by prying off an iron bar. Two chisels and a sledge hammer, which had been taken from the Ellis blacksmith shop were lying by the safe.

They entered the Tatem-Wright store through a rear window by breaking the glass sufficiently to turn the window lock. A few weeks ago the store was entered in the same way. The store clock had been tilted to one side and had stopped at 3:10 o'clock.

The men doing the job were evidently amateurs as they had no knowledge of safe breaking. It is believed that home talent is responsible for the various robberies committed recently.

LIQUOR SEIZED IN TWO RESIDENCES

Monett Officers Raid Homes of Norman Sturgis and Landon Cox. Secure Liquor but no Stills.

A liquor raid was made Saturday night at the residence of Norman Sturgis and Landon Cox and liquor was seized at both places. No still was found.

The raid was made by Acting Prosecuting Attorney Emory Medlin, Night Watch Bland, Deputy E. R. Matthews and Jas. A. Johnson, a government officer. They visited Norman Sturgis' place about 10:30 and found Mr. Sturgis in bed. They found two gallons of corn whiskey at this place.

From there they went to the home of Landon Cox. There they found a party in progress, but this did not deter them from making the raid. They found about two gallons of whiskey at this place, with a number of empty bottles and jugs, which had been used as whiskey containers.

Sturgis and Cox were both arrested and will go to Cassville to give bond in circuit court. This is the second arrest of Mr. Sturgis on the same charge recently and there will be two cases against him in circuit court.

TO OUR FRIENDS

We take the method of these few lines to try to express so far as we are able to put in words our deep appreciation of the kindness and sympathy our friends have shown us in this sad hour of trial and bereavement.

To all who have in any way expressed their sympathy, whether it were in kindly words, helpful thoughts, acted expressions, floral tributes, or yet, neither of these, but who ever has a heart that has been touched by our grief, we want you to know we appreciate you and your heartfelt anxiety for us too deeply for words to convey our feelings and sincerely hope you will not soon be called upon to give up one whom you love and cherish as we have. We would not forget in the midst of it all

How sweet to sleep where all is peace Where sorrow cannot reach the breast.

Where all life's idle throbbings cease And pain is lulled to rest.

Accept us for our thoughts and intentions and not for actions as they may sometimes seem.

H. I. Bradford and Family.
